2. Must have had an impact on our local league. (player, board member, volunteer, supporter, tenure). Our Hall of Fame is not solely based upon stats or a statistical selection, or how good was the nominee on the field, we are selecting based upon overall factors whereby a supporter of our league, tenure as a member of our league is more important than results on the field.
3. Must support and be committed to our principles & philosophies.
4. Once accepted on the Hall of Fame ballot, the nominee will remain on the ballot for 5 years before being removed from the ballot if not accepted.
